° Please note specific prerequisite course requirements as listed in the University of Utah Course Catalog (PSY 1010, PSY 3000 and PSY 3010 are all prerequisite courses for PSY 3120 and PSY 3150).
° All courses counting toward certificate requirements should be completed with a grade C or better.
° All requests that a course be considered equivalent to any of the above courses should be submitted to the Psychology Advising Center (507 BEH S) with a copy of the course syllabus.
° Research Assistance (PSY 4800 or 4802) is taken as CR/NC. Students completing this requirement must complete 3 hours of work per week during the course of the entire semester per credit hour earned (i.e. 3 credits= 9 hours of work per week).
° When applying for admittance to the Certificate Program students must submit an application with a current copy of a DARS or transcript. Applications may take up to a week to process.
° With the exception of PSY 1010 and PSY 3000, classes taken over 10 years ago do not fulfill Certificate requirements.
