

## PSYCHOLOGY TRANSFER ARTICULATION 2008-2010

Transfer courses at the 1000-2000 level may be accepted as lower-division psychology elective hours, but **DO NOT** satisfy Core requirements. Core requirements must be taken at the upper-division level.

Courses which fulfill Psychology requirements *do not necessarily fulfill University of Utah General Education and Bachelor's Degree requirements*. Students have the responsibility to see an advisor with University College (581-8146) to discuss General Education and Bachelor's requirements.
