

LISA G. ASPINWALL

Address

Department of Psychology
University of Utah
380 South 1530 East, Room 502
Salt Lake City, UT 84112-0251

Phone: (801) 587-9021
Fax: (801) 581-5841
lisa.aspinwall@psych.utah.edu

Education

| | |
|--------------------------|---|
| B.A., Psychology | Stanford University, 1987 with honors and with distinction |
| M.A., Social psychology | University of California, Los Angeles, 1988 |
| Ph.D., Social psychology | University of California, Los Angeles, 1991 |

Employment

Assistant Professor, Department of Psychology, University of Maryland, 1991-1997
Associate Professor, Department of Psychology, University of Maryland, 1997-2000
Associate Professor, Department of Psychology, University of Utah, 2000-present
Member, Huntsman Cancer Institute, Cancer Control and Population Sciences
Program, 2011-present (Associate Member, 2004-2010)

Academic Honors, Teaching Awards, and Prizes

Gordon A. Craig Prize (history), Stanford University, 1984
Phi Beta Kappa, 1986
Firestone Medal for Excellence in Research, Stanford University, 1987
National Science Foundation Graduate Fellowship, 1987-1991
NIMH Health Psychology Research Trainee, 1989-1990
Sigma Xi Outstanding Graduate Science Student Award, UCLA, 1991
Certificate of Teaching Excellence, University of Maryland, 1994
Excellence in Teaching Award, College of Behavioral and Social Sciences,
University of Maryland, 1995
Semester Research Award, General Research Board, University of Maryland, 1998
Templeton Positive Psychology Prize (\$50,000), John Templeton Foundation
and APA, 2000

Grants

National Cancer Institute, 1R01CA158322-01, \$2,719,544 (April 8, 2011-March 30, 2016). *Impact of Melanoma Genetic Testing on Health Cognitions and Prevention Behaviors*. MPI's Lisa G. Aspinwall, Sancy A. Leachman.

Cancer Control and Population Sciences Pilot Project, Huntsman Cancer Institute, \$39,952, November 2010. *Evaluation of Patient and Provider Attitudes toward Genetic Prostate Cancer Risk Assessment and Corresponding Educational Needs*. P.I.s Neeraj Agarwal & Anita Kinney; Co-Investigators Wendy Kohlmann, Christopher Dechet, Lisa G. Aspinwall.

Cancer Control and Population Sciences Pilot Project, Huntsman Cancer Institute, \$40,087 (initial award, \$29,587, July 1, 2008-June 30, 2009; second award to extend project, \$10,500, July 1, 2009-June 30, 2010). *Understanding Multiple Barriers to Sustained Adherence: Psychosocial Determinants of Underscreening and Overscreening among High-Risk Familial Melanoma Patients*. P.I. Lisa G. Aspinwall; Co-Investigator Sancy A. Leachman.

Funding Incentive Seed Grant, Office of the Vice President for Research, University of Utah, \$30,500 (June 1, 2005-May 30, 2006). *A Prospective Longitudinal Study of Psychological and Behavioral Responses to the Receipt of p16 Genetic Testing Results*. P.I. Lisa G. Aspinwall; Co-Investigator Sancy A. Leachman.

Proposal Initiative Grant, College of Social and Behavioral Science, University of Utah, \$4,000 (Summer, 2004). *Psychological Aspects of Genetic Testing Among Familial Melanoma Patients: A Prospective Study of Personality and Tailored Risk Communications in the p16 Kindreds*. P.I. Lisa G. Aspinwall.

National Science Foundation, \$223,051. *Affect and the Processing of Negative Information*, SBR-9709677, 7/1/98 - 6/30/03. Awarded 7/1998 to P.I. Lisa G. Aspinwall. Transferred to University of Utah as BCS-0196354, and extended to 6/30/2003.

Biomedical Research Award, University of Maryland, \$10,000. *Optimism, Risk Assessment and Self-Regulation: A Microlevel Investigation of How People Process Information about Potential Health Threats*, \$10,000. Awarded 11/1991 to P.I. Lisa G. Aspinwall.

The Spring Foundation for Research on Women in Contemporary Society, \$5,000. *Individual Differences, Coping, and Well-Being: Adjustment to College in First-Generation College Students*. Awarded 8/1990 to Lisa G. Aspinwall (co- P.I. Ron E. F. Duran).

Publications
