NOTE: The following are important policy issues that may affect your graduation; please contact us if you have questions about any of the following:

- PSY 1220: Psychology of Infancy and Childhood and PSY 3220: Childhood and Adolescent Development **cannot both** be counted towards a psychology minor.
- Field Placement (4810) and Research Assistance (4800-4806) are to be taken as CR/NC. **Only two (2) total hours** may be counted toward the psychology minor. For 1 credit hour earned, you must complete 3 hours of work per week.
- With the exception of Psych 1010 and 3000, classes taken over 10 years ago do not fulfill departmental requirements.
- Students must complete six (6) semester hours of psychology course work at the University of Utah, three (3) hours must be 3000 level or higher to satisfy the psychology department residency requirement.
- All Psychology hours must be completed with a letter grade of “C” or better (**C- is not acceptable**) and an overall cumulative **GPA of 2.8 or better** must be maintained to declare a minor.
- Psychology credit hours must total **at least 16 hours**. Of those 16, **8 hours must be 3000 level or higher**. There is no maximum number of Psychology credits which a student can count toward University graduation requirements.
- Psychology courses that have 3000 and 3010 as prerequisites are 3210, 3110, 3120, 3140 & 3150.
- When applying for the minor you must bring a current **transcript or DARS**. It can take up to one week to declare your psychology minor status.
